Our Mission

In the Spring of 2000, the Archives continued the original efforts of Captain Roger Pineau and William Hudson, and the Archives first attempts in 1992, to gather the papers, letters, photographs, and records of graduates of the US Navy Japanese/Oriental Language School, University of Colorado at Boulder, 1942-1946. We assemble these papers in recognition of the contributions made by JLS/OLS instructors and graduates to the War effort in the Pacific and the Cold War, to the creation of East Asian language programs across the country, and to the development of Japanese-American cultural reconciliation programs after World War II.

\$Donations Accepted

There are those of you who may not have papers to donate to the Archives, but who may wish to support the Japanese/Oriental Language School Archival Project in other ways. We are setting up a cash account to fund Archives activities regarding the JLS/OLS Project. To date, the Archives has spent in excess of \$10,000 of its own funds on the project. If you wish to donate, make your check out to The University of Colorado and mail it to our contact address.
