

**US Navy Japanese/Oriental Language School  
60<sup>th</sup> Reunion  
June 6-9, 2002**

**University of Colorado  
Boulder, Colorado**

60 years ago, during a very turbulent time in our country's history, you came together with others to learn Japanese and East Asian languages so you could help protect our country and contribute to the War effort. We invite you and your families to come together where it all began to reminisce and celebrate those accomplishments.

We hope you can join your fellow students at CU in Boulder for this very special event.
